

**Web Site**

The CHRIS TA Web site is at  
<http://chris.inel.gov/tag/tamhome.htm>

It provides these areas of assistance:

- Answers to frequently asked questions (FAQ) from new users of the system
  - Lessons learned as users find out best ways of completing certain actions in CHRIS
  - Business processes that tailor the system to DOE's needs
  - A pdf copy of the CHRIS Training Administration User's Manual
- 

**Phone and E-mail  
Contacts**

For initial functional processing questions first contact the CHRIS Training point-of-contact at your site. This is generally the training manager, officer, or coordinator.

For technical problems with CHRIS system access or processing, contact the CHRIS Information Management (IM) point-of-contact at your site.

For all other hotline questions, call 202-287-1640.
